

# ANIMAL ENGLISH CARD GAME

# Instruction

## 1. Make groups of four.

Divide the class into groups of four players.

## 2. Draw one card from the deck.

Each player draws **3 Fantasy Animal Cards** from the deck.

This card will be the animal you use during the game.

## 3. Roll the dice.

## 4. Ask a question using a comparative or superlative.

Use the word on the question sheet and make a question for your group.

For example:

“Which animal is **bigger**?”

“Which animal is the **strongest**?”

Everyone in the group answers using **comparatives or superlatives**.

## 5. Move your piece on the sugoroku map.

After asking and answering, move your piece to the next matching space on the map.

## 6. Keep playing until someone reaches the GOAL!

The game continues with exciting comparative and superlative battles until one player reaches the **GOAL**.
